

## Year 2 & 3 Literacy/Topic Homework: Autumn Term

The following activities are for the whole of this term. The children should choose one task every other week to be handed in on a 13th October. The tasks **MUST** be done and we have given more than are needed to provide choice and flexibility, which means some tasks will not be done.

In Science, we have been exploring 'Materials.

Which Materials Dissolve in Water

### *Muck, Mess & Mixtures*

Create your own piece of artwork inspired by an artist you admire. Write a short explanation about why you chose this artist. We will create a gallery of all the pieces of art.

Write your own acrostic poem about your favourite topic. It could be a pop star or an animal, it's your choice.

Make your own slushy drink by freezing a cup of juice. How long does it take to freeze? You could make it different colours by mixing different juices. Record your investigation as a report

Design and make your poster about the dangerous cleaning products that you might use around the home.

Cook with your grown up and create a picture record what

Take your grown up shopping and encourage them to buy a food that you have never eaten before and take a picture of it

Write your own revolting recipe. Remember to include imperative verbs at the start of each instruction and try to add adjectives to your nouns.
