

Year 2 & 3 Literacy/Topic Homework: Summer Term

The following activities are for the whole of this term. The children should choose one task every week (some may take longer) to be handed in on 12th July. There are 10 tasks in total and some may take more than one week - so at least 7 of the tasks have to be completed, by the end of term.

Write a list of adjectives to describe what spiders look like and a list of verbs to describe what spiders do. Use the lists to write six facts about spiders or make up a story about a spidery adventure.

Find out about the Borneo walking stick, the longest insect in the world, and the Goliath beetle. Make a poster to display amazing facts that you can show your friends at school.

Watch 'Antz', 'A Bug's Life' or 'Epic' with your family. Make a comic strip that shows part of the film or write a review.

Go on a mini beast safari with your family. Investigate your garden, local park or woodland to search for wriggly and crawly creatures! Take photos or draw any mini beasts you find.

Wriggle
& Crawl

Write a letter to Miss Muffet and explain why she shouldn't be scared of spiders. Look for information online and in nonfiction books to support your ideas.

Create a table to collect information about mini beasts, including their name, body parts, legs and wings. Identify whether or not each mini beast is an insect.

Create a mini-beast word search containing all the mini beast names you have learnt. Give it to your family and friends to solve!

Visit your local library and find stories, poems and non-fiction books about mini beasts. Write a review of your favourite book.

Choose an insect to draw and label all its body parts.

Create a table to collect information about mini beasts, including their name, body parts, legs and wings. Identify whether or not each mini beast is an insect.
