

Learning Log

Frozen Kingdom

The focus for this half terms learning log, will be based around our current topic, 'Frozen Kingdom'. You have 5 weeks today, to complete this learning log.

All children will be required to complete one of two DT/Art related tasks. The first option is to make a soft animal from fabric, that may be found within a 'Frozen Kingdom' and the other is to create a painting (framed) of the Northern Lights, using watercolour as a medium. There are no minimum or maximum size requirements.

It is also essential that the children complete one task all of the other areas; Maths, Literacy and an ICT focus. A list of options can be found at the end of this letter.

Presentation is key for this learning log, therefore children are encouraged to remember to use a ruler for straight lines, not write in biro, add colour to their pages, etc. If you would like any paper to complete the learning log, then please don't hesitate to ask.

Good luck and enjoy ☺

Miss Morys

Maths Focus

- Create a decorated 3D shape that might represent something that relates to our topic i.e igloo.
- Create a 'Frozen Kingdom' themed fraction wall or multiplication square, to go into the back of your maths books (only if this will assist your class learning).
- Write 8 word problems that include positive and negative numbers, in the context of temperature, based around the topic.

Literacy Focus

- Create a fact sheet about the Polar Regions.
- Write a newspaper article describing the effects of global warming.
- Create an information leaflet about the Inuit tribes.

Computing Focus

- Create a geography brochure, advertising a polar trip.
- Create a short movie that is linked to this topic (the choice is yours!).

Please add your comments about your work here. Parents feel free to comment too.
