

Alchemy Island

This half term the focus for your learning log will be based on our current topic, 'Alchemy Island' a topic linked to fantasy worlds.

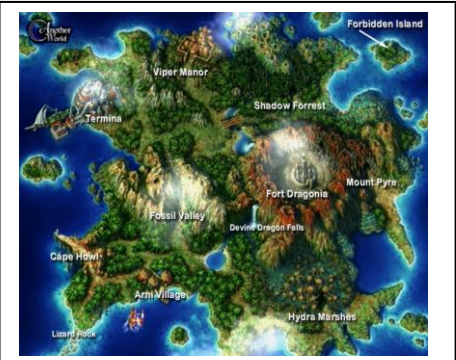

The learning log will be one of a DT focus. It is required that you choose 1 piece of work in which you have four weeks to complete. The progression of the project and the various stages of this work, will need to be evidenced with photographs please; to put into your learning log books.

Below you can find the three tasks, for you to choose from. It must be completed by Thursday 25th October. If you choose the Alchemists travelling kit, you are permitted to wear this into school on that day. If you choose the banquet, you can bring one item of food in on that day.

Remember, work that is imaginative and carefully completed, will be highly commended.

Good luck and enjoy 😊

Miss Morys

Portal & Fantasy Island	Alchemists travelling kit	Alchemist's banquet
<p>Portals are gateways to another world. Make a door / gateway that opens and behind it design and create a fantasy 3D world.</p> 	<p>Design and make a costume for an Alchemist to go travelling in - make sure he/ she has all that they need for their adventures. He will need a bag of some sort to collect all the useful things that he might need.</p> 	<p>Make a list of foods that change state when heated or cooled, such as eggs, water, butter or chocolate. Plan and make an Alchemist's banquet, for your family to eat. Don't forget to bring one item in, for your classmates to sample.</p>
