

Sports Premium Grant 2017-2018

The sports premium funding has been provided to ensure impact against the following **OBJECTIVE**: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that we should use the premium to:

- develop or add to the PE and sport activities already on offer
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Sporting Success is a regular newsletter feature and during the year we have celebrated individual success both in and out of school as well as school team successes. We have participated in local tournaments for athletics, football and netball and have been successful in gaining our bronze school games mark for 2016-2017. We have subsequently been awarded the silver school games mark for 2017-2018.

We have offered swimming sessions to pupils in Years 4, 5 and 6 and have run an additional water safety session for pupils in Years 2 and 3 to support safety over the summer holiday. 91% of our Year 6 pupils will leave us able to swim 25 metres or more.

Pupils in Years 5/6 took part in a sports residential which allowed them the opportunity to take part in new sports such as archery and caving.
