

Meet the Teacher

Class: Owls

Class teacher: Miss Morys

Teaching assistants: Mrs Ingram & Mrs
Johnston

A Typical Day in Year.....

Gates open at 8:40am. A typical day in Year 2 is much more faster paced and action packed!

Children arrive at school, put their belongings away in their drawers, hang their coats on their pegs and settle down quietly to complete their early morning activities during registration time, which comprises of fluency Maths.

On a Monday, Wednesday and Friday, children will come together for a whole school Collective Worship. On a Tuesday and Thursday, children will take part in a class worship.

They then move straight into morning lessons, which are the core subjects: Maths and English.

The afternoon runs similarly to the morning, with Topic based learning. The children will have an afternoon starter, which is currently phonics.

Throughout the week, the children have daily handwriting practice, whole class / guided reading, reading VIPERS and independent reading opportunities.

How we assess the children...

Assessment in KS1 is carried out daily, using live feedback and targeted questioning as the children are working. This is to ensure that feedback is immediate and children can respond immediately, ensuring the misconceptions are quickly addressed. At the start of every new unit, the children will complete a pre-assessment quiz and at the end of the unit, they will complete the same quiz, which is a measure of progress throughout the topic.

Children will then have adapted work to suit their ability or need.

Throughout the year, children will take part in assessments in reading, phonics, writing and mathematics to inform us of next steps; gaps in learning etc.

The Statutory Assessment does not make up the whole picture. We use teacher assessment to make a final judgement on whether children have met the Expected Standard for the end of Year 2.

Throughout the year, there will be regular opportunity to discuss your child's progress and attainment, at Parent Consultations. Please attend!

Curriculum...

English- is based on a whole class text that is normally linked to that term's topic. Whole class reading also takes place daily to help children become immersed in a text. This means by the end of the half term they will have read and understood a full novel in great detail.

Maths Mastery- is about deepening children's understanding, use and manipulation of all things mathematical.

Fluent in five - takes place daily to help develop speed and accuracy with fluency and arithmetic skills.

We will also teach Geography, History, Science, Computing, RE, PSHE, Music and Art/ Design. Learning in these subjects is, where possible, linked to each term's topics.

Key Topics this year...

How was school different in the past?

Would you prefer to live in a hot or cold climate?

How do we learn to fly?

Why is our world so wonderful?

What is a monarch?

What is it like to live by the coast?

Home Learning...

Homework will be expected in each week every Friday

All children will be expected to choose and complete an English task from the grid, which they will bring home next week.

All children will be expected to complete Numbots each day - with a view to include RockSteady timetables shortly. Children have their logins in the front of their reading records.

Children will have opportunities to read in school time throughout the week, but we strongly encourage home reading too. We ask that you use the reading record to record this. Please encourage your child to read at home and complete an AR quiz, if they are on this. We will be celebrating 'Milestone' Word Readers every Friday in Collective Worship.

Years 5 & 6

Autumn 1

This Half Term

Welcome back after the gloriously wet summer holiday. I hope you managed to relax and spend some lovely quality time with your miniatures.

A big welcome to our new year 5's, who are now officially 'upper School' children; the oldest in the school - combined with Year 6 (apart from their teachers!) I look forward to witnessing them relishing in the opportunity to demonstrate their super learning powers and inspire the younger children within the school. Of course, a special mention also to our new year 6 children, who I get to spend more quality time with, prepping them for the big pond - the next stage of their education. It was fabulous to witness some positive and enthusiastic young learners, over the last year.

Weekly News Letter

Summer Term Newsletter 19

9th June 2023

www.shotteryandrewsprimary.org.uk

Love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control. Galatians 5:22-23

Welcome back to the last half term of the academic year—I hope you have all managed to have a lovely half term holiday—we have been blessed with the most incredible weather and it looks set to continue for the foreseeable. The children are all refreshed and ready for one last push to reach the summer holidays—we have so many things planned for this half term, it's going to be action packed and lots of fun.

This week, we began the week by introducing our new collective worship theme for the half term—respect—which the children already talk about daily, as it is one of our school's values. We considered how we can show respect for different people in our lives and I gave each child a template of a hand to write their own hand prayers, thinking about how they can respect and care for friends, families, teachers, world leaders, and those in need. These are going to create our new prayer arcs in the school and teachers will be able to choose different prayers to share with the school every time we come together to worship together. We are having collective worship every day now, with the whole school coming to gather on a Monday morning; collective worship singing on a Tuesday; in the News worship on a Wednesday; class collective worship on a Thursday and whole school celebration assembly on a Friday. I am really keen to further develop Christian advocacy within the school and have planned a Christian Values Fair for the afternoon of Wednesday 14th July to start us on our journey towards re-writing our school vision. I plan to write home

Communication...

We are always here to support and listen. You may come and talk to us at the end of the school day. If it is urgent please email the school office. Teachers will not respond to emails sent to teacher email addresses.

If you have any minor inquiries, such as lost items/afterschool clubs, you can contact us via Class Dojo.

Important issues can be spoken about in person and appointments with teachers can either be made directly with teachers or via the school office.

Serious injuries will be either a phone call home or a face to face chat. Minor injuries such as cuts and grazes will be communicated via Accident forms which are given out at the end of the day.

Additional Support/Concerns...

If you have any concerns about your child or need our support you can contact me directly through Dojo or come and talk to me after school.

You can also contact the school office and arrange a meeting.

The DSL team are always welcoming and can support you with your concerns.

Safeguarding is Everyone's Responsibility

The designated Safeguarding leads for child protection at Shottery are:

	Mrs Louise Withers email: head3057@welearn365.com
	Miss Helen Howlett email: howlett.h@welearn365.com
	Miss Louise Williams email: Williams.l8@welearn365.com
	Miss Sara Johnston email: Johnston.s@welearn365.com

Our designated governor for safeguarding is

Mrs Rebecca Bartlett
email: barlett.r@welearn365.com

Attendance

Our Mission

At Shottery St Andrew's CofE Primary School, we believe good attendance is vital for a child to achieve their full potential.

We aim to promote good attendance by providing a safe and motivating environment for all children.

As a team, we will together break down any barriers a child or family may have to accessing their education.

Our school attendance target is set at 96%

Every child matters, every day matters.

Home/School agreement

Parents/Carers and school both have a legal duty for attendance.

It is a legal requirement for each and every child to access regular education

If you need support with your child's attendance, please reach out to either your child's class teacher, or Mrs L Withers (Headteacher and Attendance Champion)

FAQ's

What is PA?

PA stands for 'Persistently absent.' This is when your child's attendance falls below 90%

What is risk of PA?

Risk of PA is when your child's attendance is at risk of dropping below 90% - we aim to offer early intervention support at this stage.

What is an EPN?

EPN stands for Education Penalty Notices. EPN's are issued for unauthorised absences, this includes term time holidays.

I'll just go on holiday and pay the fine?

EPN's have now been capped nationally at TWO fines within any 3 year period. After this, other action like a parenting order or prosecution has to be considered - this could mean a fine of up to £2500

What is an unauthorised absence?

A child being kept off school unnecessarily or without good reason. Term time holidays is not a justified reason to take your child out of school.

What happens if I keep my child off, and don't contact school?

School will call home to try and obtain a reason for absence - if no reason is provided, school may carry out a visit to your home - this is to check on the welfare of you and your child. Attendance is a safeguarding matter.

School Attendance Parent Guide

Let your light shine before others, that they may see your good deeds and glorify your Father in heaven.' Matthew 5:16

Attendance

Every day counts

100% attendance	0 days missed	No learning missed!
97% attendance	5 days missed	A weeks learning missed
94% attendance	12 days missed	2 weeks and 2 days learning missed
90% attendance	19 days missed	3 weeks and 4 days learning missed
85% attendance	30 days missed	6 weeks of learning missed
80% attendance	40 days missed	8 weeks of learning missed

Every minute counts

Always on time!	No hours missed!	No learning lost!
5 minutes late each day	15 hours missed	3 days learning missed
10 minutes late every day	32 hours missed	6.5 days learning missed
20 minutes late each day	65 hours missed	13 days learning missed
30 minutes late each day	95 hours missed	19 days learning missed

90% attendance, or only 5 minutes late, may sound like a small issue, but the amount of learning missed is huge!

Make each day count

Attendance Procedures

Absence

If your child is going to be absent from school, you must contact the school office before 9:00am to provide a reason for absence.

Medical evidence

If your child is absent from school and is at risk of becoming persistently absent (at risk of falling below 90%) you may be required to provide medical evidence for your child's absences.

This way, we can make sure absences are authorised.

Celebrating Attendance

Celebrating children's attendance achievements is key to keeping our children motivated and engaged.

We celebrate attendance in so many ways such as...

Weekly class prizes (Perfect Attendance)

Individual half term certificates for 100% attendance and Improving attendance

Punctuality

If your child arrives to school after registration closes, your child will receive an unauthorised late mark – this impacts your child's attendance.

PA/ risk of PA

We want to avoid children becoming persistently absent (below 90%)

Interventions will be put in place when your child's attendance becomes at risk of becoming PA. This may include supportive parent meetings.

Fines/ holidays

Holidays are in no circumstance unauthorised by school. Unauthorised absence due to holidays will result in a fine being issued from Warwickshire County Council.

Expectations...

Behaviour Curriculum - high expectations, in class, in the playground, moving around school, on educational visits, when visitors are in and during after school clubs.

3 School Rules - Be Respectful, Be Responsible, Be Safe

School uniform / PE kit / Lost Property - LABEL!

Presentation, in school and when completing homework.

Encourage independence - children to inform when they need a book changed, need to hand in a letter, bring sheets and uniform home, hand homework in.

Named water bottle needs to be in school every day.

Celebrating Success...

Celebration Assembly

Topic Sharing Events

Looking at the website and Twitter

Stickers, House Points, Headteacher certificates,
Values Awards, Dojos, sweet treat with Miss Morys weekly.

AOB...

Remind children at home they have a drawer/locker in which to store their items,
please encourage that independence

Healthy snacks

Come to school in PE Kit on Wednesday
